3. [REDACTED] in OSA Travel gave me a cost figure for the round-trip plane fare for Nancy which he considers to be a close approximation (within \$5). The fare should be \$398 and will cover flights from [REDACTED]

4. I have obtained a couple of alternative flights from [REDACTED] but will list them after a final decision is made on whether or not we visit there. I talked to [REDACTED] today and told him we would let him know tomorrow on this decision. [REDACTED] could easily be substituted for [REDACTED] within the range of the same fare. Have you considered [REDACTED] at all? [REDACTED] mentioned this as a substitute and the thought had occurred to me earlier as well.

5. Attached is the airline schedule of the flights which have been reserved so far. As I mentioned before, the return trip from [] (if this remains on the schedule) will be changed to an alternate flight which is more direct. 25X1A

6. I called Nancy and arranged to go with her for passport pictures and passport application at the State Department. Unfortunately, it is impossible to have the pictures taken here in the building. If Nancy were going on representational allowance under Agency sponsorship, then the pictures would have been taken at the Pentagon.
